Sonic Side Table

— USER'S MANUAL—

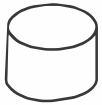

The FCC certification of this device refers to RF exposure testing performed in typical operating conditions, where a person is no closer than 20 centimeters from the device surface at all times, except for non-repetitive patterns with transient time intervals in the order of a second. Only in the stated conditions, the device is shown to fully comply with the FCC RF Exposure requirements of KDB 447498.

BOX CONTENTS

This Owner's Manual

Main Table

Legs x 3

Power Cord

ASSEMBLY

1) Place side table upside down on a carpeted surface.
2) Screw the 3 legs to the underside of the table.
3) Before turning upright, insert the power cord into the base.
4) Plug in to charge. Note: Full charging takes approximately 4 hours.
5) Turn table upright. Your table is ready for use.

QUICK START GUIDE

Powering On

After charging, or while plugged in, press the power button. The indicator light will illuminate when the device is on.

Connecting to Bluetooth

1) From your mobile device, search and select the Bluetooth connection titled *Sonic*
2) When prompted by your device, enter pairing password: 1234

Note: Two Sonic Side Tables can be paired to one device for synchronized sound.

TROUBLESHOOTING

Can't Connect Bluetooth: Press and hold the Mode selector button to reset the connection. A flashing blue light indicates that the connection has been reset and ready to pair.

No Power: Make sure your table is plugged in or properly charged, then press the power button to turn on your table.
